TU ROCKCITO PRESENTS

ROCKCITIS AGUDA (ACUTE ROCKCITIS)  
A ROCK CONCERT FOR THE WHOLE FAMILY.

Tú ROCKCITO begins in 2008 as a musical proposal for children, which includes the sound of rock with entertaining stories, animated videos and musical games performed by a rock band. Inspired by our work as music teachers for children and our passion for Rock, we wanted to create “Rockcitis Aguda” (“Acute Rockcitis”), a musical show loaded with games, and songs to rock

and enjoy with the whole family. “Rockcitis Aguda” (“Acute Rockcitis”) stages songs about wolves that are soccer players and sharks that love ice cream; it performs choreographic games and turns the audience into a great rocker choir. Animated videos, a proper Rock Band and musical games will make this unique show, the funniest rock concert for the family.

**WHAT ROCKCITIS DOES**

- Children play with Rock 1
- Families muss their hair together 2
- Grandparents are easily infected 3
